PROFESSIONAL SUMMARY

UI/UX & Product Designer with 6+ years of design experience, including 3+ years focused on UI/UX and digital product design. Strong hands-on expertise in Figma, responsive and mobile-first interfaces, scalable design systems, wireframing, and interactive prototyping. Experienced in designing complex cybersecurity SaaS dashboards, monitoring platforms, quick-commerce, and mobile applications. Skilled at turning complex workflows and data into clean, modern, intuitive interfaces while collaborating closely with product and engineering teams.

CORE SKILLS

UI Design • Product Design • Figma • Design Systems • UI Guidelines • Responsive Design • Mobile-First Design • SaaS Dashboards • Data-Driven UI • Wireframing • Interactive Prototyping • User Flows • Information Architecture • Visual Design • Graphic Design

TOOLS

Figma • Adobe Illustrator • Adobe Photoshop • Adobe After Effects • Adobe XD

PROFESSIONAL EXPERIENCE

Senior Graphic & UI/UX Designer | C9LAB (Pinak Infosec Pvt. Ltd.) | Sep 2023 – Present

- Lead UI/UX and visual design for cybersecurity SaaS products, translating complex security data and workflows into clear, decision-focused interfaces.
- Design scalable Figma components, reusable UI patterns, and design-system foundations to improve consistency across web-based products.
- Create responsive dashboards, user flows, wireframes, high-fidelity interfaces, and interactive prototypes for product and engineering handoff.
- Designed product experiences for QSAFE, C9 Pharos, C9Phish, and Business Risk Score across monitoring, risk, brand protection, and human-risk workflows.
- Collaborate with engineering, product, and business stakeholders to refine requirements, solve usability issues, and support implementation.

UI/UX Designer — Freelance | Paperplane Technologies Pvt. Ltd. | Apr 2023 – Jun 2023

- Designed web and mobile product interfaces in Figma, from user flows and wireframes to high-fidelity UI and prototypes.
- Created clean, responsive screens and reusable interface patterns aligned with product requirements.

UI/UX Designer — Freelance | Viral Pitch Technologies Pvt. Ltd. | Mar 2023 – Apr 2023

- Designed user-centric digital interfaces and improved visual hierarchy, interaction clarity, and overall product usability.

Graphic & UI/UX Designer | Tech Radix Pvt. Ltd. | Jul 2021 – Feb 2023

- Designed responsive web and mobile interfaces for multiple digital products, including quick-commerce, delivery, and utility applications.
- Built wireframes, high-fidelity UI, prototypes, and visual assets while working across diverse product requirements.

Graphic Designer | Maptrons Formulations Pvt. Ltd. | Mar 2020 – Jun 2021

- Created brand and digital communication assets with strong focus on visual consistency and detail.

Graphic Designer | AricaGlobal — Graphic Design Studio | Jun 2016 – Nov 2017

- Produced visual design and branding assets for client projects across multiple formats.

SELECTED PRODUCT WORK

QSAFE — Brand Protection & Digital Risk Platform: Designed a complex cybersecurity dashboard experience for external cyber-risk and brand-protection workflows, with emphasis on data clarity, hierarchy, and scalable UI patterns.

C9 Pharos — Website Monitoring & Vulnerability Risk SaaS: Designed monitoring experiences covering uptime, SSL, IP reputation, vulnerability assessment, breach checks, and cyber intelligence.

Aforro Groceries — Quick-Commerce Application: Designed grocery shopping and delivery experiences with mobile-first flows and intuitive product discovery.

Milk Book — Milk Order & Delivery Tracking: Designed mobile workflows for recurring milk orders, delivery tracking, and everyday utility.

OnDoorDabba — Food Delivery Application: Designed mobile food-ordering interfaces focused on simple navigation and fast task completion.
